

# First Grade Friday Flyer

April 28, 2017

Miss Shillings and Mrs. Davis

- Our field trip to the Indianapolis Zoo is Monday!!! Please make sure your child arrives to school on time Monday morning. Students and chaperones should bring a sack lunch and drink in a disposable bag with names written on the outside of the sack. Students should wear comfortable shoes as we will be doing lots of walking. At this time, it looks like we may have cool weather with a chance of rain so please send students dressed appropriately for outdoor conditions that day.
- Next week we will learn to read and write words with three letter blends including: scr, spl, spr, str, thr, and shr. See sample words to help your child prepare for the spelling test and keep practicing writing good sentences with capitalization and punctuation at home!
- In math we will continue to work with tens and ones. We will be mentally finding 10 more or 10 less than a given 2 digit number. Students should use their knowledge of tens and ones, along with skip counting by tens, to know that 10 more than 62 is 72 and 10 less than 62 is 52 without counting.
- We will be taking our end of the year NWEA math and reading assessments on Wednesday and Thursday. Please make sure your child gets plenty of rest and a good breakfast so they can do their best and show all they have learned this year!
