

this week

09.02.19-09.06.19

IN Kindergarten

academics

LITERACY:

We will continue our focus on the role of the author & the illustrator. This will be assessed next week as well.

WRITING:

We will begin "writing" stories that tell about an event that has happened to us.

MATH:

We will start writing, counting and modelling numbers 6 and 7.

SCIENCE:

We will begin learning about the major parts of our brain and what they do.

SOCIAL STUDIES:

No Social Studies This Week due to Science Unit.

upcoming dates

Mon. Sept. 2

No SCHOOL

Tue. Oct. 8

School Picture
Day

Mon. Oct. 21-

Fri. Oct. 27

NO SCHOOL-
Fall Break

practice at home

Have your child count as high as they can whenever possible.

Be sure to point out sight words **I**, **can**, and **the** when you are reading with your child. Pointing these out in everyday writing will help your child understand the importance of sight words.

Practice writing your child's name with an uppercase letter at the beginning and lowercase for the remainder.

REMINDERS: Make sure you are sending iPads back to school everyday with a full charge. We will begin to use them on a daily basis very soon!
